## OA-7100

Mast type	Mono
Lifting height	1600 mm
Total height	2000 mm
Height at max. lift	2040 mm
Kapacitet ved LC	800 kg

Lifting speed:	
Lifting speed electricl	25-30 sek.
Lowering speed:	Variable

Wheel:	
Steering-Nylon	ø 200x 50 mm
Loadroller - Nylon	ø 82 x 70 mm

Weight::	
Electric	265 kg.

Extra options:  
Remote control  
Photocell
